School Communication Efforts

2015-2016 School Accountability Report

Parents can access the school's website to be informed of all events and activities at the school. Principal uses Remind to reach parents and students. Parents and staff jointly interact at monthly Booster meetings. The monthly parent/principal dialogue, held prior to the Booster meetings, provides opportunities for parents to interact informally with the principal. Written information is shared with parents in bi-monthly newsletters and weekly on-line bulletins. Student academic progress is available to parents through Infinite Campus, our new on-line information system starting next school year. Back to school night provide parents opportunities to learn about the instructional programs. Parent/teacher conferences are held throughout the year to allow parents opportunities to discuss their individual students. The school counselor holds evening meetings with parents regarding scholarships, college applications, registration, and college entrance exam information. The athletic director holds meetings with parents for students participating in sport activities. The GWHS administration and staff embrace parent and community support and feedback to continually improve the educational experience provided to students.
