6/1	<ul style="list-style-type: none"> ● SCHOOL IN SESSION ● MAP Math for Mr. Hight's students 	6/8	<ul style="list-style-type: none"> ● No School

Announcements:

Testing is still going on at Whittell. We still have MAP testing (7th, 8th, 9th grades) and End of Course Exam Finals...dates to be announced.

Please make sure your students arrive to school on time with a **fully charged Chromebook**, a **well balanced breakfast** and ready to take their exams.

Senior Awards Night- Seniors and senior parents...mark your calendars for Senior Awards Night, June 4th at Harvey's Convention Hall, 6pm.

DMV Forms- The Nevada DMV requires all students to have a DMV Attendance Verification form completed by the school before they are allowed to take their permit and driver's license exams. Please plan accordingly for the summer months and get on the list with Mrs. Esquivel.

Moving Up 8th Grade

Mark your calendars for June 21st for the 8th Grade Moving Up Ceremony to be held in the GWHS Small Gym @ 12:30 pm followed by a Dinner Dance which will be held at Lake Tahoe Hotel Resort from 6-8pm. More information to follow as the date gets closer.

Volunteers

In an effort to facilitate volunteer participation in District schools, the District has allowed volunteers to begin volunteering once the volunteer packet was submitted and prior to receiving the background check report. In order to improve the volunteer process, the District will now wait until the background check report is approved **prior** to allowing volunteers to begin. Volunteers will only have to go through the approval process every 5 years, so this change will have the most impact on new volunteers. We feel this change is needed and ensures even greater safety for our students and schools.

Athletic Facilities (Construction Zone)

During the last week of May, there will be no access on the side of the school by the upper field due to construction. Traffic will be rerouted. Please abide by all construction zones and signage to ensure everyone's safety. Students and staff need to park in front of the school away from all the construction zones taking place by the upper field. Those areas will be closed off. Students if you have a parking permit in those areas, please come to the office for a reassignment of parking.
